

266 SIGNATURES FROM 1670

September 26 at 5:38am From **Ton Tielen**

Thanks to Rene van Wijngaarden we now have a very nice list of signatures of Sephardim in Amsterdam of 1670.

The purpose of the document they signed was to show that the Portuguese Jewish Community of Amsterdam was a well governed body with a sound financial base and that the Mahamad had the support of the community. Given the year it may indeed have to do with the building of a new Synagogue. It may have been meant to impress the City of Amsterdam with a show of strength.

Over the weekend I transcribed the signatures to the best of my knowledge, Michael Waas was very helpful with corrections and suggestions, so thank you Michael. And thanks again Rene, for the find.

For convenience sake I named the first page: page 1. The image with the double page are pages 2 and 3, and the last page is page 4. To help you find the name you are looking for, I also mention the column in which a particular name can be found.
