

Extract from Kevin Martin 24 Jul 2022 re marriage of Isaac 1297 and Rebecca 1385.

This marriage appears in BMR part2 as #37, though the substantial dowry and the person - no doubt acting as agent – who paid it do not. This detail is shown below the image. Isaac Lopes Pereira was on the Mahamad in 5456 and 5461 (see Hyamson - ref 6), and had been a member of the community since around 5430 (see 'El Libro de los Acuerdos' - ref 97). Isaac aka Manuel Lopes Pereira was born in Rouen in 1633, and was one of the founders of the Dublin Jewish community (ref 357 p17).
